## Upcoming Activities

**1** Investing in 13 Whānau Ora partners selected for 'commissioning for collective impact'. Commissioning for collective impact aims to drive social change for whānau across a range of outcome areas. Te Pou Matakana's Whānau Ora partners will be contracted to work with whānau and families throughout Te Ika-a-Māui to identify their priority needs and achieve their priority outcomes.

**2** Committed a portion of its commissioning funding to Whānau Direct, a grants based initiative that provides funding of up to \$1,000 directly to whānau. The aim of the grant is to enable whānau to respond quickly to an immediate need that must contribute to a long-term outcome such as employment, education or health.

**3** An independent evaluation of the Whānau Direct pilot, to better understand how to meet the priority needs of whānau and families in Te Ika-a-Māui, has been completed.
