REALISING MĀORI POTENTIAL

Proposed Māori Land Service Wānanga Engagement Round 2

Gisborne wānanga held on 11 October 2016.

Whatungarongaro te tangata, toitū te whenua

Nau mai, haere mai ki ngā wānanga tuarua mō Te Ratonga Whenua Māori

We've said that we would be back out for a second round of wānanga on the proposed Māori Land Service and we are planning to come out to all of the areas we visited last year.

These wānanga are an important opportunity to discuss the proposed services and how these services are delivered to any Māori land owner across the motu. It is also a chance for us to update you on the proposed structure of the Māori Land Service.

Wānanga dates: Wānanga will be held from the 23rd January 2017 until 19 February 2017. Please see the following page for locations, venues, dates and timings.

Register: to register to attend see the relevant RSVP contact listed below.

Updates: Check the Māori Land Service webpage (<http://www.tpk.govt.nz/en/whakamahia/maori-land-service/>) for updates.
