

## Overview of investment approach & activities

'Transformative change to build sustainable whānau capability'

Target population: Whānau and families in Te Waipounamu

### Commissioning Pipeline

Open tender funding rounds that enable whānau to submit their ideas, projects and initiatives for funding, coaching and other support

### Whānau Capability Development

Investment to support the growth and development of initiatives that create social impact for whānau

### Whānau Enhancement

Investment in Whānau Ora Navigators to work with whānau to support planning and implementation activities

## Investment update (as at 30 September 2016)

### Commissioning Pipeline

Te Pūtahitanga o Te Waipounamu has invested in **76 whānau-developed initiatives** through Waves 1-3 of the Commissioning Pipeline. These focus on a range of outcomes, from providing access to affordable health care for whānau to encouraging learning in te reo Māori. Te Pūtahitanga o Te Waipounamu has also invested in **5 whānau-developed initiatives** through its Te Punanga Haumaru funding stream, focusing on increasing awareness of and decreasing instances of bullying.

While in different stages of delivery, initiatives active in Quarter 1 of FY16/17 have engaged approx. **515 whānau (1,961 individuals)**.

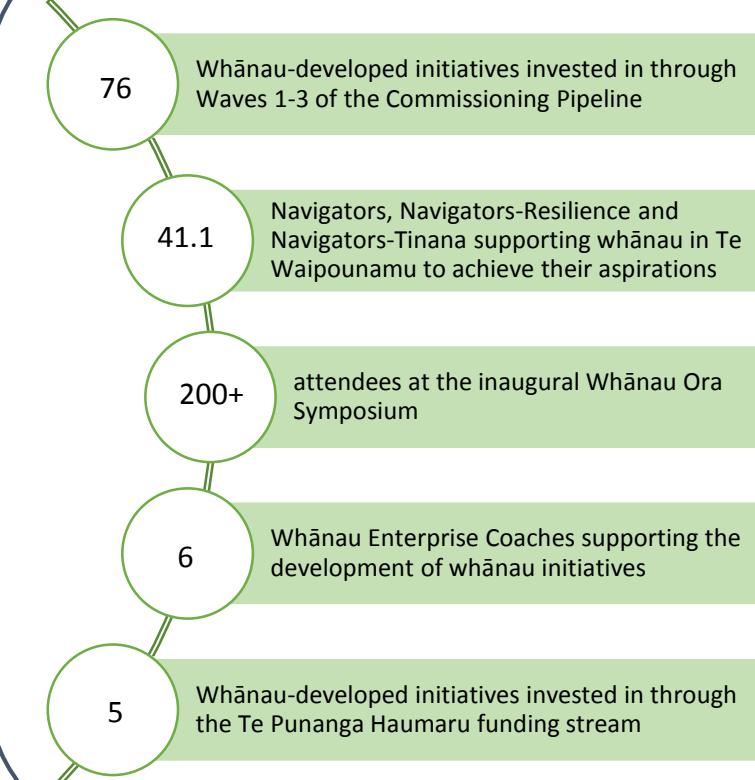

### Whānau Capability Development

A symposium was held in July 2016 to showcase Whānau Ora success stories, illustrate best practice and connect participants. The third Te Kākano o Te Totara (leadership development programme) wānanga was held in conjunction with the symposium. Whānau Enterprise Coaches also continue to support the development of whānau initiatives.

### Whānau enhancement

Te Pūtahitanga o Te Waipounamu also supports whānau through a workforce of **41.1 Navigator FTEs**. This includes five Navigators-Resilience (supporting whānau in recovery from the Christchurch earthquakes) and eight Navigator-Tinana (helping whānau achieve health and wellbeing goals). Navigators engaged approx. **551 whānau (772 individuals)** in Quarter 1 of FY16/17.

## Progress against performance measures

## Contribution to Whānau Ora outcomes

Highlights across 24 initiatives and 23 Navigators as at 30 September 2016:

Whānau are self-managing

- 70% of whānau report they had enough or more than enough total income to meet every day needs
- 66% of whānau [adults] find it easy or very easy to access support in times of need (i.e. crisis support)

Whānau are leading healthy lifestyles

- 88% of surveyed whānau [adults] report that as a result of participating in the programme, the whole whānau improved their physical fitness
- 76% of surveyed whānau [adults] regularly exercise

Whānau are confidently participating in te ao Māori

- 100% of surveyed whānau [adults] report that as a result of the cultural aspects of the programme, they feel an increased connection to Te Ao Māori

Whānau are cohesive, resilient and nurturing

- 91% of surveyed children/youth report they know at least three new strategies to protect themselves from being bullied

## Highlights of performance

### Commissioning Pipeline

**Hale Compound Conditioning** (Christchurch): Supports whānau to become physically active by providing access to physical activity, recreation and nutrition advice. In Quarter 1 of FY16/17, 200 whānau participated in Hale Compound Conditioning programmes.

**Te Āwhina Marae** (Motueka): Provides support services to kaumātua in the area, including providing healthcare and education opportunities and Te Reo classes. 11 whānau (16 individuals) were supported through Te Āwhina Marae in Quarter 1 of FY16/17.

**Whakatu Te Korowai Manaakitanga Trust** (Nelson): Supports whānau to achieve goals relating to their education, health and wellbeing, employment and housing. 128 people were supported in these areas in Quarter 1 of FY16/17.

**Tipu Taitama Voyaging Trust** (Christchurch): Facilitates wānanga consisting of waka, taonga puoro and whakairo activities for whānau to participate and strengthen their cultural knowledge. One wānanga was held in Quarter 1 of FY16/17, with 22 individuals participating.

**1000 Days Trust** (Invercargill): Provides support to new mothers and fathers to support them in caring for their new-born children. 32 new parents were supported by 1000 Days Trust in Quarter 1 of FY16/17.

## Whānau & Commissioning Agency engagements

### Whānau experience

#### Poutini Waiora – Te Whare Oranga (Hokitika):

This initiative has been designed to support whānau that have been diagnosed with long-term health conditions that require ongoing medical intervention, and who do not have access to specialised health and nutrition programmes and support. The aim of the project is to improve the health and wellbeing of Māori living in Hokitika through holistic approaches to health.

*"It has been heartening to appoint a Māori Fitness Instructor who is clearly a role model and a strong advocate for Māori."*

### Commissioning Agency engagement

Te Pūtahitanga o Te Waipounamu and its Navigator workforce have been active in the recovery response following the earthquakes in Kaikoura, supporting whānau and communities affected by the earthquakes.

Te Pūtahitanga o Te Waipounamu continues to participate in Tū Pono (a community engagement campaign to support whānau to find pathways to address family violence) and continues its involvement in the Integrated Service Response pilot alongside Police, Child, Youth and Family, Corrections, Health, specialist family violence NGOs and Māori service providers.
