Author: Cabinet Māori Crown Relations – Te Arawhiti Committee

These documents provide a review of the Government's Progressive Procurement policy along with refinements to the policy settings.

These documents have been proactively released. Some parts of the Cabinet paper would not be appropriate to release at this time and if requested, would be withheld under the Official Information Act 1982 (the Act). Where this is the case, the relevant sections of the Act that would apply have been identified. Where information has been withheld no public interest has been identified that would outweigh the reasons for withholding it.
