### **Official Information Act request**

Thank you for your Official Information Act request, received on 28 December 2017. You requested the following information:

*“Which Whānau Ora providers, partners and/or community organisations (as per your commissioning model) provide dental care for their whānau and families? Also, how many is this as a percentage of total providers, partners and/or community providers?”*

The names of Whānau Ora providers are publicly available. Each Commissioning Agency supplies a list of providers on their website, which can be found using the following links:

- Te Pou Matakana 'Partners List' - <https://www.tepoumatakana.com/partners/>
- Pasifika Futures 'Our Partners' - <http://pasifikafutures.co.nz/about-us/our-partners/>
- Te Pūtahitanga o Te Waipounamu 'Whānau Ora Directory' - <http://whanauora.co.nz/>

Te Puni Kōkiri's website also publishes a list of existing Whānau Ora providers of which it is aware. This list can be found using the following link:

- <https://www.tpk.govt.nz/en/whakamahia/whanau-ora/find-a-whanau-ora-provider-and-or-initiative>

Where these websites do not list the services offered by each provider, links to the providers' websites have been included.

As the information you have requested is in the public domain, your request is declined under section 18(d) of the Official Information Act 1982 which applies when the information is publicly available.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

Please note that TPK publishes some of its OIA responses on its website after the response is sent to the requestor. The responses published are those that are considered to have a high level of public interest. The name, address and contact details of the person requesting information is not published.

Ngā mihi
